Northland Packing Co.,

Gentlemen:

Your report of operations in Alaska in the season of 1917 has not been received. You are requested to forward it at once. Care should be exercised in the preparation of reports in order to avoid any delay incident to returning them or writing for additional information. If you have misplaced the blanks sent you some time ago, additional copies may be secured from the Bureau's Office, 1217 L. C. Smith Building, Seattle, Wash. It is essential because of war conditions and the urgent necessity of securing accurate figures on food resources that returns be made as promptly as possible.

Very truly yours,

Commissioner.
